## PROJECTS

### Personal Portfolio Website

sumit.sbs

A modern developer portfolio website to showcase skills and projects.

- Built with **HTML**, **Tailwind CSS**, and **JavaScript**.  
Mobile-first, responsive design with attention to accessibility and UX.  
Deployed via **Vercel** with custom domain and optimized performance

### Productivity Chrome Extension (In Progress)

A custom Chrome Extension aimed at improving productivity and task management.

- Built with **HTML**, **CSS**, and **JavaScript**, designed for a minimal and intuitive UX.  
Focuses on ease of use, quick note-taking, and local data persistence.  
Currently developing features like time tracking and task organization.
